I. INTRODUCTION

People were asking her, 'why she loves me'. I showed to the world a glimpse of how I love her. One woman to love and obey. One woman to honour and respect. One woman, mother of my baby and one woman with whom I will have children and give my name. No other woman. Her love and presence will suffice me. I have no ill thoughts, no bad thoughts for that sweetheart who is destined to become my Queen. A lovely woman who has been through terrible difficulties and sufferings and deserve a man like me, who will love her, care for her and respect her, respect her body and vows to love her in health, in sickness, in richer, in poorer with a pure love, as a father protects his daughter, as a husband loves his wife and a son respect his mother. And a baby in between them. The fruit of their love.

II. DISCUSSION

Mbagu (2013)'s poem Treasure Of Love says that My tears and fear is to lose you.

Nothing is found, except it is hidden,	Beloved,	When I behold your eyes I see love,
Nothing is hidden, except it is a secret;	you are a secret treasure hidden to be found.	I see us in you.
Nothing is a secret except it is a treasure.	Indeed,	When I weighed your mind, I found courage,
	you are a Goddess of beauty.	

when you smile my heart smiles.

When you speak the burdens of my heart are lifted up.

In my dreams is you that I see,
In my visions is you that I picture,

Is you that I capture.

When I first saw you,
I met a stranger.

As I talked with you,
I discovered a divine embodiment with character and charisma.

As I thought of you,
I discovered my friend.

As I came closer,
I discovered my missing rib.

As I walked with you,
I found my wife.

When I gazed at your beauty,
a spell of love gripped me.

I felt a sigh of relief in my heart.

You have I loved and you will I love.

Loving you means so much to me,
beholding your immaculate beauty beautifies the glory of our future.

My tears and fear is to lose you.

I am perfected in your love,
you are the tender spirit of my heart,

the one that softens my heart;
your love has stolen my heart away.

I've never been so much in love,
not until I met you.

Losing you means loss of countless memories to me,
In loving you have I understood the worth of true and genuine love.

My soul bleeds for the moment of our union as one.

I long for the moment when we shall cleave together as birds in the sky,

singing the songs of love together as one,
sharing in an everlasting happiness.

Then shall I tell you how much you mean to me,

how effective your spell of love have gripped me.

We're not only humanly designed for each other,
we're divinely designed from each other.

My love for you is forever

IV. FINDINGS

Louis (2019) 's poem a beautiful heritage says that

A pleasant land,
A beautiful heritage!
Passage of time,
Message of life,
Sage of love! !
On stage with your age;
In the land of beautiful
flowers.

Waldre(2009)'s poem The Treasure Of Love Poem says 'Forever and always,I will love you'.

This treasure of love,
I cherish within my soul,
how much I love you...
you'll never really know.

You brought a joy to my heart,
I've never felt before,
with each sound of your voice,
I love you more and more.

Whenever we say good-bye,
whenever we part,
know I hold you dearly,
deep within my heart.

So these seven little words,
I pray that you'll hold true,
'Forever and always,
I will love you'.

V. CONCLUSION

You say 'I love you' , You say 'I am your future husband' I say Sirf Tum' **सिर्फतुम** all is yours my Queen. All the treasures , heritage of the world are for you alone. If I have you as wife, my sweetheart , our baby, more babies with you, I do not need anything else, your love and presence will suffice me. And I will abide to promises made to you and obey you. There is a commitment and promised made from both sides and I have put my head on the block, my reputation at stake, my name and character at risk for the one woman I love. There is no backing off from any sides.
